📍 L6-711, Zhizhen Building, Canghai Campus, Shenzhen University, Nanshan District, Shenzhen, China

ABOUT

Wei Qin Wang is currently a master's student at the College of Computer Science and Software Engineering, Shenzhen University (admitted through the 2025 recommended exemption program), advised by Assistant Professor [Yile Wang](#). His research interests include artificial intelligence, natural language processing, and large language models.

EDUCATION

- **Shenzhen University** Sept. 2025 – June 2028
M.Sc. Candidate in Computer Science and Technology
Advisor: Assistant Prof. [Yile Wang](#) Shenzhen, China
- **Fujian Agriculture and Forestry University** Sept. 2021 – June 2025
B.Sc. in Computer Science and Technology Fuzhou, China
Overall ranking: 1/128; GPA ranking: 3/128

EXPERIENCE

- **Shenzhen University, Visual Computing Research Center (VCC)** Oct. 2024 – Aug. 2025
Research Intern Shenzhen, China
 - Worked under the supervision of Assistant Prof. [Yile Wang](#).
 - Conducted research on large language model reasoning and self-consistency methods.
- **Shenzhen University** Spring 2025, Spring 2026
Teaching Assistant, Principles of Compilation Shenzhen, China

PROFESSIONAL SERVICES

- Reviewer: ICLR (2027)

HONORS & AWARDS

- National Scholarship for Undergraduate Students
- Special Academic Scholarship for Master's Students, Shenzhen University
- First-Class Academic Scholarship for Undergraduate Students, Fujian Agriculture and Forestry University
- Second Prize, National Undergraduate Mathematical Contest in Modeling
- Meritorious Winner, Mathematical Contest in Modeling/Interdisciplinary Contest in Modeling (MCM/ICM), USA

SKILLS

- **Programming and ML:** Python, PyTorch, SQL Server, C/C++, LaTeX, Markdown
- **Tools:** Linux, Git, Office
- **Languages:** Chinese (Native), English (CET-4: 532; CET-6: 509; academic reading, writing, and daily communication)
